KAYAKING+FISHING

COLLECTION

HOBIE HISTORY

1950

Hobie Alter shaped his **first surfboard** in his parents' Laguna Beach garage.

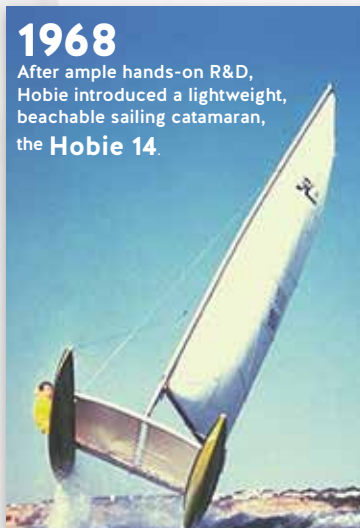

1958

Hobie teamed up with Grubby Clark to produce the world's **first fiberglass-and-foam-core boards**, revolutionizing surfing.

1968

After ample hands-on R&D, Hobie introduced a lightweight, beachable sailing catamaran, the **Hobie 14**.

1974

Introduced the **Hobie Hawk** remote controlled glider.

1982

Reading the water is tricky, but Hobie tamed reflected light with its line of **polarized sunglasses**.

1987

Ladies love watersports, so Hobie delivered fashion-forward, functional **women's swimwear**.

1954

Demand for Hobie's boards spiked, so he opened **his first Surf Shop in Dana Point, California**.

1962

After witnessing the birth of skateboarding, Hobie **introduced polyurethane skateboard wheels**, the sport's biggest evolution.

1970

Classic. The two-person, double-trapeze **Hobie 16** became an international sensation, instantly sparking the "Hobie Way of Life".

1982

The **Hobie 33** was the fastest, sleekest monohull in its class.

INNOVATING NEW WAYS TO PLAY ON THE WATER SINCE 1950

1994

The **Hobie Float Cat** marked the company's first cast into angling.

1995

A design ahead of its time, the **Hobie TriFoiler** dropped jaws with its staggering speed.

1997

Hobie MirageDrive® delivered "A New Way to Kayak," by pedaling instead of paddling.

2001

The **Mirage Outback** introduced kayak fishing in an SUV package.

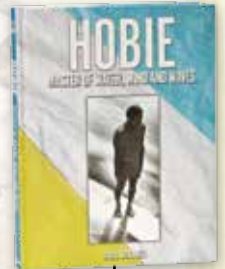

2006

The versatile **Mirage Adventure Island** offered the ability to sail, pedal, paddle and play.

2014

Hobie Alter's **epic biography**.

1994

The **Hobie Wave** was designed and crafted as the perfect, simple, rotomolded catamaran.

1996

The **Hobie Pursuit** kayak ushered in a new generation of rotomolded polyethylene touring kayaks.

2000

The **Hobie Mirage® Tandem** introduced two-person, Mirage kayaking experience, while offering an optional sail kit.

2005

Building on 50 years of industry-leading board design, **Hobie SUPs** propelled surf sports off the beach to nearly any lake, stream or bay worldwide.

2009

Hobie landed a massive strike with the **Mirage Pro Angler 14**, a feature-laden, angler-specific boat.

MIRAGE SERIES:

YOU BELONG ON A HOBIE

HERE'S AN OVERVIEW OF THE INNOVATIVE FEATURES THAT HAVE MADE **HOBIE KAYAKS** AND **FISHING BOATS** WORLD-RENOWNED:

1. MOLDED CARRYING HANDLES

Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

At Hobie, helping people have unforgettable on-the-water experiences, ranks supreme.

We believe that kayaking and fishing should be accessible, rewarding and—above all else—fun. This starts with locomotion. For many kayakers, long hours of paddling can dampen their fun factor, and paddle splashes can startle fish and wildlife. So we asked a hard question: why labor to pull with your arms when it's infinitely more efficient to push with your legs?

The genius behind the Hobie MirageDrive's double-scissor action was developed by carefully studying how penguins swim. Our engineers realized that these amazing birds' efficient fin stroke was a perfect solution to powering your kayak or boat. After countless hours of R&D and miles of on-the-water pedaling, our breakthrough design linked a pair of cockpit-mounted pedals to a set of powerful underwater fins that are

constructed out of a flexible, durable plastic. When pedaled, the fins flex to assume the shape of a propeller blade, scissoring back and forth on both the front stroke and the back stroke, yielding a smooth, efficient ride.

Hobie's new innovative MirageDrive with Glide Technology propels kayaking and fishing into a brave new era by combining the ease and go-all-day endurance of flatland cycling with the joys of kayaking. Whether it's punching across an exposed patch of water, exploring new casting grounds, or nosing through a mangrove forest at sunset, Hobie's MirageDrive delivers snappy, reliable performance, confidence-inspiring power and all-day efficiency. But this is only one element of what makes kayaking and fishing, Hobie-style, so sweet.

2. LARGE COVERED BOW HATCH

Enables easy access to the bow's stowage compartment. A security strap with a detachable clip tethers the hatch; above-deck, Bungee® cords secure extra gear.

3. SAIL MOUNT

Harness the wind and your horizons expand infinitely. The optional Mirage Sail Kit's mast securely steps onto a deck-mounted fitting. Enjoy added power without complication; Mirage Sail Kits make sailing fun and easy.

4. MIRAGEDRIVE W/ GLIDE TECHNOLOGY

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

5. MESH-COVERED STOWAGE POCKETS

Easy access and safe stowage for the things you reach for most. Never miss that photo op again!

11. VANTAGE CT SEATING

New state-of-the-art design, with 4-way adjustability for more comfort in the cockpit or on the beach, Enjoy breathability, infinite flexibility and better visibility.

12. FISHING ROD HOLDERS

These molded-in holsters securely tote your rods, are perfectly angled for trolling and can accommodate a gaff, nets and other gear.

13. CARGO AREA

Big adventures demand plenty of gear. These molded areas and Bungee tie-downs ensure that it's still there when you get to camp.

6. TWIST AND SEAL HATCH

An efficient corkscrew mechanism ratchets down this hatch, keeping stowed items secure irrespective of the sea state. The lid is permanently attached to its base via a hinge, so you don't have to worry about leaving it at last night's campground.

8. DRINK HOLDER

Cold, hot or somewhere in between—we've got a convenient spot for your favorite beverage.

9. RUDDER CONTROL

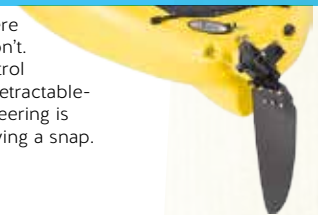

Soft handle makes fingertip steering easy.

10. MID-BOAT CARRYING HANDLES

These ergonomic handles are bolted onto either side of the kayak's cockpit, making it easier to negotiate launching ramps or transport.

14. TWIST AND STOW RUDDER

Hobie's Twist and Stow Rudder is there when you need it, gone when you don't. Simply pull one of the T-shaped control handles to engage or disengage the retractable-rudder system. Fingertip-operated steering is fitted near your left hand, making driving a snap.

7. TWO-PIECE PADDLE W/ FIBERGLASS SHAFT

Negotiate surf-strewn beaches and rocky inlets with additional confidence, or go old school and paddle for an upper body workout. Conveniently clips onto the hull when not needed.

LOWRANCE® READY

Get the most from your fish finder. This built-in transducer mount with pre-installed thru-hull cable plugs allows quick, no-drill, no-glue sonar installation. Available on Hobie's most fish-savvy models.

MIRAGE SPORT

The Sport is sized just right for quick escapes, nine easy feet of kick-back kayak with Hobie MirageDrive motivation. Hop on and go. Stay awhile; the cushy Vantage CT will float away your cares. The Sport is compact, but doesn't skimp on comfort or storage. Back friendly; you shouldn't break a sweat getting to or from the water. Focus on fun; the durable polyethylene is carefree and tough. The Sport has a big heart that equally loves pleasure cruising and teasing bass in the sticks.

SPECS:

- CREW: 1
- LENGTH: 9' 7" / 2.92 m
- WIDTH: 29.5" / 0.75 m

PERFECT FOR POCKET WATER,
THE SPORT
PACKS A LOT OF BOAT INTO A
COMPACT PACKAGE.

MIRAGE OUTBACK

The legendary design that propelled the MirageDrive to fishing supremacy is better than ever. It's still every inch an Outback, with a time-tested hull that's an ideal blend of confident stability and smooth maneuverability. Yet quicker, thanks to efficient Glide Technology with Bluefins. The deck is freshly redesigned around the marvelous Vantage CT seat to maximize stand-up space and storage. Cruise, camp, or catch. The Outback is packed full of fishing features, including the Lowrance Ready System that makes sonar installation a cinch.

THE BEST-SELLING **OUTBACK**
IS A **DO-EVERYTHING**
SPORTING POWERHOUSE.

MIRAGE REVOLUTION® 11

THE **REVOLUTION 11's** SLEEK HULL WILL RACE YOU TO **YOUR NEXT ADVENTURE.**

The sleek "Revo 11" is lightning fast off the line, a MirageDrive powered pocket rocket that'll turn in its own length. Performance in a tidy 11-ft. package, easy to transport and store. The eye-catching Revolution 11 comes with all the essentials available on larger models, at significantly reduced weight: molded-in rod holders, multiple hatches and a spacious storage well. There isn't a single wasted inch on this compact fish-capable cruiser.

SPECS:

CREW: 1

LENGTH: 11' 6" / 3.51 m

WIDTH: 29" / 0.74 m

CAPACITY*: 275 lbs / 125 kg

FITTED HULL WEIGHT*: 64 lbs / 29 kg

FULLY RIGGED WEIGHT*: 81 lbs / 37 kg

HULL CONSTRUCTION: Rotomolded Polyethylene

*Refer to website for complete details

MIRAGE REVOLUTION 13

The flowing, liquid lines of the Revolution 13 deliver an undeniable message. This is a quick, seaworthy and efficient design that, at 28.5-in. wide, hits the sweet spot for stability minus any slowdown. Catchy too, with dual rod holders and generous tackle storage. If you crave a change of pace from hands-free MirageDrive glide and pick up the paddle, the "Revo 13" still makes tracks. Whether fishing or exploring, the Revolution 13 loves a twisty, challenging course. The lightweight, rotomolded hull sings when under optional Sail kit power.

SPECS:

- CREW: 1
- LENGTH: 13' 5" / 4.09 m
- WIDTH: 28.5" / 0.72 m
- CAPACITY*: 350 lbs / 159 kg
- FITTED HULL WEIGHT*: 70.5 lbs / 32 kg

THE VERSATILE **REVOLUTION 13**

OFFERS **KICKED-UP PERFORMANCE**
AND ALL THE **CATCHY NECESSITIES.**

MIRAGE SERIES

MIRAGE REVOLUTION 16

THE **REVOLUTION 16** IS BUILT TO **GO FAR** AND **GET THERE FAST.**

SPECS:

CREW: 1

LENGTH: 16' / 4.88 m

WIDTH: 27.5" / 0.7 m

CAPACITY*: 350 lbs / 159 kg

FITTED HULL WEIGHT*: 75.5 lbs / 34 kg

FULLY RIGGED WEIGHT*: 92 lbs / 42 kg

HULL CONSTRUCTION: Rotomolded Polyethylene

LOWRANCE READY SYSTEM INCLUDED*

*Refer to website for complete details

Sleek. The Hobie Mirage Revolution 16 boasts a long, lean hull that's low on drag and big on speed, allowing you to glide along at a pace typically reserved for far more fragile kayaks. Instead of requiring constant babying, the Revo 16's rugged, rotomolded polyethylene hull stands ready to brave any beach. Consider the Revo 16's range and speed—coupled with carefully considered details such as ergonomic carrying handles and its comfortable, Vantage CT seat—and the advantages are obvious. With a 16' hull design for touring or fishing at speed plus MirageDrive power, covering distance with ease is the Revo 16's game.

MIRAGE OUTFITTER

SMOOTH, STABLE, AND BUILT FOR TWO
THE **OUTFITTER** IS
DESIGNED **FOR FUN.**

A kayak with one of Hobie's easy and elegant MirageDrives is quick. Adding a second really pours on the speed. Bring along a friend, your significant other, or a child—dual helm control means either of you can steer this wide, stable hull. Or go solo. The Outfitter is the more compact of Hobie's pair of rotomolded polyethylene tandems, a little easier to store than its larger sibling. Room for two doesn't mean sacrificing storage: utility trays, a trio of Twist and Seal hatches, and a large rear storage area provide plenty of room.

SPECS:

CREW: 1-2

LENGTH: 12' 8" / 3.86 m

WIDTH: 34" / 0.86 m

CAPACITY*: 425 lbs / 193 kg

FITTED HULL WEIGHT*: 90 lbs / 41 kg

FULLY RIGGED WEIGHT*: 121.5 lbs / 55 kg

HULL CONSTRUCTION: Rotomolded Polyethylene

*Refer to website for complete details

MIRAGE OASIS®

The Oasis is stretched-out and spacious, the more performance-oriented of Hobie's pair of tandems powered by the elegant, easy-to-use MirageDrive. So speedy yet boasting a robust carrying capacity suitable for a weekend camping trip or fishing with enough gear to stock a tackle shop—there are four convenient hatches and a generous on-deck storage area, as well as molded-in rod holders. The Oasis gets the job done in style and comfort.

SPECS:

CREW: 1-2
LENGTH: 14' 6" / 4.42 m

WHETHER **SOLO** OR **WITH A FRIEND**,
YOU'LL BE **AMAZED** AT HOW WELL THE VERSATILE
OASIS PERFORMS

THE MIRAGE ISLAND SERIES BLENDS TIMELESS DESIGN WITH HOBIE INNOVATION

Hobie's legendary sailing know-how meets its revolutionary MirageDrive with Glide Technology in the Mirage Island series of trimaran sailing kayaks. Islands are forgiving, stable, fast and exciting. MirageDrive pedal power is the difference. No wind, no worry, but if it is blowing all the better. Sailing maneuvers are so much easier with the pedal drive standing by to get you through that tack.

ISLAND SERIES FEATURES INCLUDE:

CARRYING HANDLES

Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

LARGE COVERED BOW HATCH

Bulkier items stash securely in the forward in-hull storage compartment. A security strap with a detachable clip tethers the hatch; above-deck, Bungee cords secure extra gear.

ROLLER FURLING MAIN SAIL

Island Series boomless mainsails pack enough power to thrill experienced sailors, yet remain supremely approachable for beginners. The secret is one-handed control. The carbon composite mast mounts on a roller furler; the sail wraps around the mast to easily trim its size to match conditions. Set-up takes mere moments. Wind-maximizing features include square-topped design, full battens and tell tails.

MIRAGEDRIVE W/ GLIDE TECHNOLOGY

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

POLYETHYLENE MAIN HULL

The heart of the Island system, the main hull can be used separately as a capable and quick single kayak; pedal or paddle. Equip the akas and amas for additional stability.

KICK-UP CENTERBOARD

Built-in, fully retractable, kick-up centerboard improves tracking when under sail.

MESH-COVERED STOWAGE POCKETS

Easy access and safe stowage for the things you reach for most. Never miss that photo op again!

TWIST AND SEAL HATCH

An efficient corkscrew mechanism ratchets down this hatch, keeping stowed items secure irrespective of the sea state. The lid is permanently attached to its base via a hinge, so you don't have to worry about leaving it at last night's campground.

AMA OUTRIGGERS & AKA CROSSBARS

Tough rotomolded polyethylene amas provide ultimate stability. Simple setup means more time on the water. Durable aluminum crossbars pivot back to bring the amas against the hull for docking, trailering, or to land a fish.

LOWRANCE READY

This built-in transducer mount with pre-installed thru-hull cable plugs allows quick, no-drill, no-glue fishfinder installation. Maximizes sonar performance. Get the most accurate readings from your electronics.

CARGO AREA

Big adventures demand plenty of gear. These molded areas and Bungee tie-downs ensure that it's still there when you get to camp.

ISLAND RUDDER

Oversized for superior maneuverability. Deploy or retract with precision using jam cleat locking t-handle controls.

RUDDER CONTROL

Soft handle makes fingertip steering easy.

VANTAGE CT SEATING

New state-of-the-art design, with 4-way adjustability for more comfort in the cockpit or on the beach. Enjoy breathability, infinite flexibility and better visibility.

OPTIONAL TRAMPOLINE SET

Aka trampolines vastly multiply Island deck space. Carry additional crew or gear on the soft vinyl mesh, move weight outboard for better performance in windy conditions, and reduce spray in the cockpit. Fast (side-release) buckles across aft aka make folding akas quick. Adjustable webbing straps for a tight fit. Rolls down and straps to forward aka for storage or easily slips off the aka. Paddle storage, gear pockets and lanyard grommets included.

OPTIONAL DOLLY

AI/TI portage carts improve the shore-side maneuverability of Island Series boats. Includes a hull / ama cradle, a pull handle, kick-stand, and the option of beach or hard-pack wheel styles.

OPTIONAL LIVEWELL

The optional Hobie Livewell was designed with the serious fisherman in mind. The high-flow Attwood pump, 6-volt sealed gel cell battery, adjustable drain, and up to 8 gallons of water handle everything from baitfish to bass. Requires Island adapter kit.

OPTIONAL TRAILERS

Skip the heavy lifting and time-consuming setup and launch straight onto the water. Trailers make Island storage and transport a breeze, vastly enhancing the experience. Trailers are available with cradles accommodating one or two Islands.

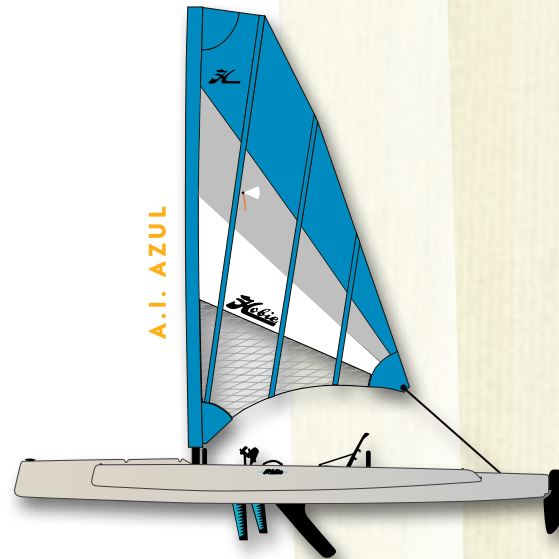

ADVENTURE ISLAND

An absolute joy on the water, the Hobie Mirage Adventure Island is impressively approachable. Ride the wind: A roller-furling, vertically battened mainsail provides lift, a retractable centerboard prevents lateral slip, and the larger amas tuck parallel against the rotomolded polyethylene hull for docking. Multiple hatches, on deck stowage and Vantage CT Seating encourage multi-day adventures, and the MirageDrive with Glide Technology offers paddle-free locomotion when the wind scatters, making it easy to get home. The "AI" is also an exceptional bluewater-capable fishing platform. Equip the accessory trampoline kit for extra space and walk-around capability.

THE **ADVENTURE ISLAND** IS THE
ULTIMATE MULTI-MODE THREAT; SAIL, FISH, PEDAL,
PADDLE, THIS HIGH PERFORMER **DOES IT ALL.**

TANDEM ISLAND

Sailing has never seemed so simple. When the wind blows, the Tandem Island flies across the water, powered by an expansive, easily tended mainsail. Hop aboard with a friend. With dual MirageDrives providing pedal power, maneuvering is a snap even when the zephyrs subside. The central hull is pure high-end Hobie with all the expected features: multiple Twist and Seal hatches; a large bow hatch for below-decks storage; lever-operated rudder and centerboard deployment; and dual rudder control. This is Hobie's ultimate fish hunter, capable of marlin teasing trolling speeds.

THE **TANDEM ISLAND** IS A
VIRTUOSO SAILING KAYAK
WITH ROOM FOR A FRIEND.

MIRAGE PRO ANGLERS

ARE THE ULTIMATE IN HUMAN-POWERED

FISHING BOATS

Every inch of the Pro Angler family is geared specifically to put you on the fish. Thoughtful design brings fishing utility once seen only on noisy powerboats to an incredible stealth platform. These are stable, stand-able, confident cruisers, effortlessly propelled by MirageDrives with Glide Technology and Bluefins. Bring the entire rod quiver, pour on the tackle boxes, and plan on long outings. The Pro Anglers will get you hooked up, over and over.

GET A LOAD OF THESE FISH-SAVVY FEATURES:

1. LARGE FRONT HATCH W/ REMOVABLE LINER

Large-opening storage area offers easy access for storing fish or ice and can be removed for cleaning. Or, if you like, store your jacket, extra tackle and food for the day.

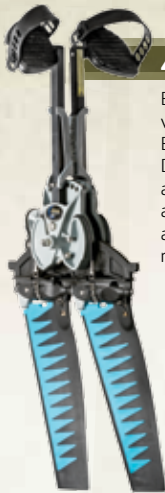

2. ACCESSORY MOUNT

When equipped with the optional Accessory Tube Wedge Mount plus a wide variety of other RAM add-ons, the Accessory Mount is a front and center home for a smart GPS, water-protected smart phone, or an extra rod holder, available separately.

3. HORIZONTAL ROD STORAGE

Keep rods rigged and close at hand, tips safely protected from brushy snags.

4. MIRAGLIDE W/ GLIDE TECHNOLOGY

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

5. LOWRANCE READY

This built-in transducer mount with pre-installed thru-hull cable plugs allows quick, no-drill, no-glue fishfinder installation. Maximizes sonar performance. Get the most accurate readings from your electronics.

7. PIVOTING TACKLE MANAGEMENT SYSTEM

Slide your tackle trays right into the Pro Angler Series' large rectangular hatches.

SKEG

Deploy the tracking skeg for improved course keeping when covering long distances. Retract for enhanced maneuverability.

8. VANTAGE SEATING

Take comfort to a new level with back, bottom, Boa lumbar and kick stand height adjustability. Made with breathable mesh and strong extruded aluminum frames, you won't want to hop off at the end of the day. Good thing they are removable to use on shore. Vantage ST comes on the PA 12 and 14, and Vantage XT on the PA 17T.

6. H-RAIL AND ACCESSORIES

Hobie exclusive 12-sided bars work with a variety of clamp-on accessories. H-Rail Rod Racks feature retainers to secure precious gear during surf landings or transport; when rotated, the Rod Rack can be used to store a paddle, sail, stakeout pole or other accessories. The H-Rail Tackle Bin adds handy storage for tackle and tools. The H-Rail Cup Holder keeps frosty beverages close at hand. H-Rail Mounting Plates are compatible with most any accessory. Flat on the top and bottom, these universal mounting plates are easy to drill through for installation of accessory electronics mounts, rod holders, and other equipment. Hobie H-Rail accessories can be adjusted or removed in seconds with the H-Rail clamping feature.

9. VERTICAL ROD HOLDERS

Angled ideally for trolling, this pair of rod holders also accommodates a net, gaff or other gear conveniently behind the Vantage seat.

10. LIVEWELL-READY CARGO AREA

With expansive open-topped storage behind the seat, there's always room on a Pro Angler for an accessory Hobie Livewell, the new Livewell XL, H-Crate, or your trophy catch.

OPTIONAL H-BAR

Enhance the feeling of security when stand-up fishing. The optional H-Bar is a sturdy leaning post and grab rail, compatible with H-Bar accessories. It's a handy helper when you're moving to or from the seat. Fold it down to deck level when it's not needed.

MIRAGE PRO ANGLER 12

Dominate the water, fresh or salt. The Pro Angler 12 deploys all the big-boat fishing features of the 'PA' series on a 12-ft. long platform that fits neatly in the back of most any pickup truck. Keep a half-dozen rods rigged and ready in the four standard horizontal and two molded-in rod holders. Confidently stand and fire cast after cast. The elevated Vantage ST seat makes it easy to move around the boat. Now includes a retractable skeg for improved course-keeping, as well as innovative H-Rail for superior flexibility in accessory rigging.

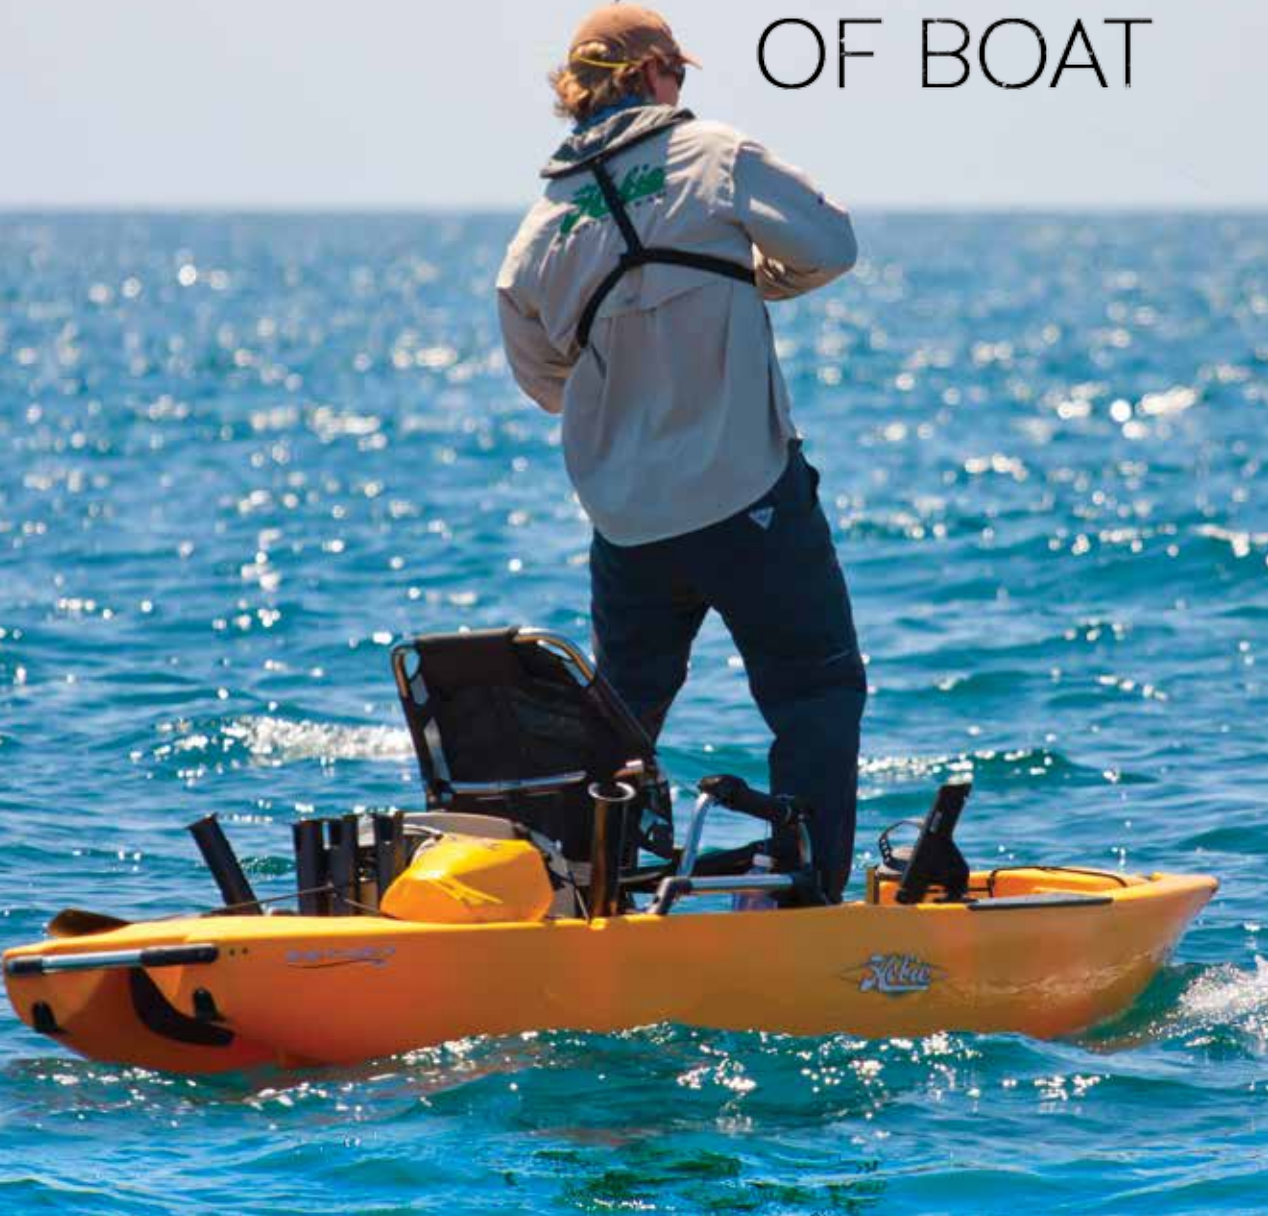

SPECS:

- CREW: 1
- LENGTH: 12' / 3.66 m
- WIDTH: 36" / 0.91 m
- CAPACITY*: 500 lbs / 227 kg
- FITTED HULL WEIGHT*: 105 lbs / 48 kg
- FULLY RIGGED WEIGHT*: 129.5 lbs / 59 kg

MASTERFUL PRO ANGLER FISHING CAPABILITY IN JUST 12 FEET OF BOAT

MIRAGE PRO ANGLER 14

Hobie's original Pro Angler packs extreme fishing utility, with scads of (that's six) horizontal rod lockers, enough tackle compartments to empty a store, and an elevated Vantage ST seat that's as much easy chair as captain's perch. There's a non-skid deck for standing—a huge advantage for sight fishing—and veritable acres of H-Rail for mounting rod holders and electronics. All this on a spacious 14-foot platform, with no need for a gas tank. Hobie's unique MirageDrive with Glide Technology provides efficient, quiet propulsion.

SPECS:

- CREW: 1
- LENGTH: 13' 8" / 4.17 m
- WIDTH: 38" / 0.97 m
- CAPACITY*: 600 lbs / 272 kg
- FITTED HULL WEIGHT*: 120.5 lbs / 55 kg
- FULLY RIGGED WEIGHT*: 145.5 lbs / 66 kg

SUPER STABLE, STANDING-FRIENDLY,
THE **PRO ANGLER 14** IS ONE MEAN
FISHING MACHINE.

MIRAGE PRO ANGLER 17T

THE **PRO ANGLER 17T** IS
WAITING FOR YOU AND A FRIEND TO
BETTER **YOUR BIGGEST CATCHES.**

With innovative multiple seating options for one or two casters, the 17T is the king of Pro Anglers. Set up the fully adjustable Vantage XT Seating (extra tall) in the in-line tandem configuration (guide style), face-to-face (ideal for fishing with small fry), or as a single (so much space!); three steering handles cover all the possibilities. Fishing rod storage both front and rear holds an astounding dozen rods—bring the entire quiver. Customize accessory placement on more than 20 feet of H-Rail system. Both users can stand and fish in comfort and each cockpit is fitted with a large rectangular hatch with pivoting tackle management system; there's even additional under-seat storage. An aft battery platform stands ready to house a 12v trolling motor battery, a cooler or crate to carry even more gear.

PRO ANGLER 17T SEATING CONFIGURATIONS:

CHOOSE THE **RIGHT SET-UP** FOR **EVERY SITUATION**

Everyone has their own style of fishing and a specific way they like to rig their boat. The PA17T provides three different seating configurations to suit your needs; traditional in-line tandem, face-to-face social tandem, or solo. There's plenty of deck room and options available to customize your next trip, whether single or with your best friend.

HEIGHTEN THE PA17T EXPERIENCE WITH THESE ACCESSORIES:

TRAILER:

A Pro Angler fishing boat doesn't strictly need a trailer, but using one sure is a pleasure. Keep your PA rigged and ready to fish. Just launch and go. Trailers are available with cradles accommodating one or two Pro Anglers.

LIVEWELL XL:

Tank up! The Livewell XL will keep a trophy bass kicking. Features a variable water level (6- or 11-gallon). Live bait is easier to corral when using the lower setting. Includes a removable tank partition, two rod holders, corrosion resistant power switch, and 6V sealed gel cell battery.

TROLLING MOTOR PLATFORM:

Nothing beats a bow-mounted trolling motor when it comes to precise boat positioning, for silently working productive structure. Attach yours with this easy to install accessory.

H-CRATE STORAGE SYSTEM:

There's no such thing as too much storage. The clever H-Crate includes four vertical rod holders with shock cord retainers, H-Rail carrying handles, and grid walls with molded-in hole patterns for even more accessories. Crate collapses flat for travel.

HOBIE MIRAGE INFLATABLES - CONVENIENCE, PORTABILITY AND A GREAT RIDE.

The Hobie i-Series combines the MirageDrive with an innovative inflatable hull. Perfect for the kayaker who is short on space or storage. Hobie inflatables pack nicely within their rolling travel bag and come with a supplied pump. They can fit in the trunk of your car, on your boat, in your RV—you can even take them on your next vacation.

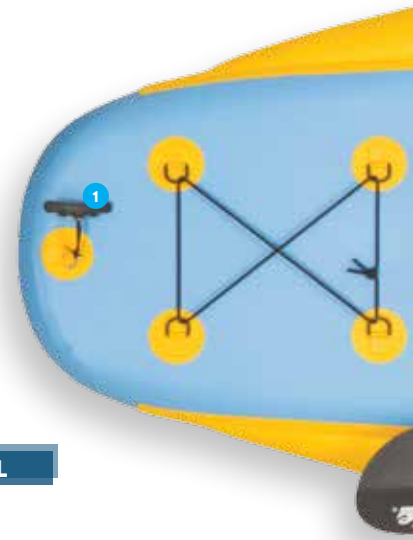

1. CARRYING HANDLES

With handles forward, aft and amidships, portaging is easier and more comfortable.

2. MIRAGEDRIVE W/ GLIDE TECHNOLOGY

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

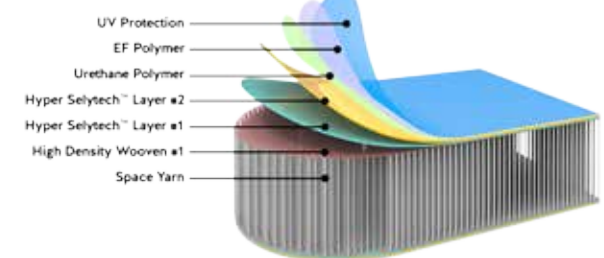

3. 1000 DENIER PVC HULL

Built tough to provide years of fun.

4. DROP STITCH FLOOR

"Drop Stitch" refers to a method of construction that allows for much higher inflation pressures. Thousands of tiny threads connect the top and bottom layers of the floor, counterbalancing air pressure when it is inflated. This allows for remarkable structural rigidity (and increased performance) without sacrificing portability.

5. FOUR-PIECE PADDLE

Durable aluminum shaft. Fits in the rolling travel bag.

6. RUDDER CONTROL

Soft handle makes fingertip steering easy which can be mounted on either side of the seat.

8. LOCKING VALVES

Covers keep valve stems secure. Valve pins lock into pump for easier inflation. Lock into open position for quick deflation.

9. REAR CARGO AREA

Big adventures demand plenty of gear. These molded areas and Bungee tie-downs ensure that it's still there when you get to camp.

INFLATABLE KIT INCLUDES:

EASY-LOAD ROLLING TRAVEL BAG

Inflatable Series kayaks fold up for easy transport and storage. Take it on the road!

HAND PUMP

High capacity piston design operates easily. A powered pump is strictly optional.

7. VANTAGE CTi SEAT

State-of-the-art Vantage Seating offers multiple points of adjustment and the comfort of breathable mesh. Even can be used as a beach chair.

10. TWIST AND STOW RUDDER

Hobie's Twist and Stow Rudder is there when you need it, gone when you don't. Simply pull one of the T-shaped control handles to engage or disengage the retractable-rudder system. Fingertip-operated steering makes making driving a snap.

OPTIONAL PLUG-IN CART

Makes transportation from your car to the water a breeze.

OPTIONAL iACCESSORY MOUNT

Adhesive accessory plates allow full customization of iSeries kayaks. Add rod holders, cup holders, and other fittings. Check our Parts and Accessories Catalog for the full selection.

INFLATABLES

MIRAGE i9s

Hobie's i9s was specifically designed for people shy on spare acreage but who dream of spending their time kayaking, fishing or sailing (via the optional Sail kit). The compact i9s offers on-the-water performance that rivals rigid boats, and its rugged, PVC-vinyl construction and reinforced underside eliminate fears of rocky beaches.

i9s SPECS:

CREW: 1
LENGTH: 9' / 2.74 m
WIDTH: 36" / 0.91 m
CAPACITY*: 325 lbs / 147 kg
FITTED HULL WEIGHT*: 41 lbs / 18.6 kg
FULLY RIGGED WEIGHT*: 70 lbs / 31.8 kg (includes travel bag+pump)
BAG DIMENSIONS: 30" x 25" x 12" / 76 x 64 x 30 cm
HULL CONSTRUCTION: 1000 Denier PVC

*Refer to website for complete details

MIRAGE i11s

Elegant simplicity: The new i11s takes MirageDrive motivation and distills it to its essence. This low-profile performer with a rigid inflatable dropstitch hull is the lightest weight hands-free kayak in the Hobie fleet. Ideal for quick trips after work, or jetting to another continent (while escaping most airline oversize baggage fees). Hop on and go, throw an optional H-Crate in the back and grab a fishing rod. It packs plenty of stability into its low profile design. Plus a fin is provided, to assist when tracking is needed.

Yet fully featured, with Hobie's supremely adjustable Vantage CTi Seating System and the fingertip control of the Twist and Stow Rudder. The i11s is minimalism, presented in industry leading Hobie style.

i11s SPECS:

CREW: 1
LENGTH: 11' 3" / 3.4 m
WIDTH: 39" / 1 m
CAPACITY*: 400 lbs / 181.4 kg
FITTED HULL WEIGHT*: 35.5 lbs / 16.1 kg
FULLY RIGGED WEIGHT*: 64.5 lbs / 29.3 kg (includes travel bag+pump)
BAG DIMENSIONS: 36" x 25" x 12" / 91 x 64 x 30cm
HULL CONSTRUCTION: 1000 Denier PVC

*Refer to website for complete details

MIRAGE i12s

All the cruising capability and space of a full-sized kayak, yet infinitely portable. The 12-ft. long Mirage i12s inflatable PVC-vinyl hull offers speed without sacrificing stability, above-deck Bungee-secured storage area provide generous hauling capacity—perfect for weekend escapes or provisioning trips ashore from the family cruiser. The i12s' MirageDrive delivers all-day comfort and performance.

i12s SPECS:

CREW: 1
LENGTH: 12' / 3.66 m
WIDTH: 36" / 0.91 m
CAPACITY*: 500 lbs / 227 kg
FITTED HULL WEIGHT*: 53.5 lbs / 24.3 kg
FULLY RIGGED WEIGHT*: 82.4 lbs / 37.4 kg (includes travel bag+pump)
BAG DIMENSIONS: 36" x 25" x 12" / 91 x 64 x 30cm
HULL CONSTRUCTION: 1000 Denier PVC
 *Refer to website for complete details

MIRAGE i14t

The Hobie i14t is the ultimate two-person, inflatable touring kayak. Two MirageDrives simplify locomotion, and an optional Sail kit enables you to enjoy everything from a sunrise paddle to an all-day, multi-sport adventure. The i14t's wheeled storage bag and its pump make hauling, storing and inflating the boat a snap.

i14t SPECS:

CREW: 1-2
LENGTH: 14' / 4.3 m
WIDTH: 36" / 0.91 m
CAPACITY*: 550 lbs / 249 kg
FITTED HULL WEIGHT*: 67.1 lbs / 30.4 kg
FULLY RIGGED WEIGHT*: 111.4 lbs / 50.6 kg (includes travel bag+pump)
BAG DIMENSIONS: 48" x 25" x 12" / 122 x 64 x 30cm
HULL CONSTRUCTION: 1000 Denier PVC
 *Refer to website for complete details

PADDLE SERIES

LANAI

THE LANAI IS SMALL, SPORTY AND NIMBLE.

The Hobie Lanai glides smoothly and efficiently, despite its compact size. A clever, rotomolded polyethylene hull maximizes stability while minimizing drag, and the boat's clean deck layout emphasizes paddling bliss while stripping all unnecessary clutter. The Lanai's 9-foot bow-to-stern length is ideal for shorter paddlers but it also accommodates taller kayakers thanks to its molded foot braces. And at only 46 pounds, the Lanai is easy to car-top, trailer or even walk to the beach.

SPECS:

- CREW: 1
 - LENGTH: 9' / 2.74 m
 - WIDTH: 30" / 0.76 m
 - CAPACITY*: 250 lbs / 113 kg
 - FITTED HULL WEIGHT*: 46 lbs / 21 kg
 - FULLY RIGGED WEIGHT*: 50.5 lbs / 23 kg
 - HULL CONSTRUCTION: Rotomolded Polyethylene
- *Refer to website for complete details

QUEST 11

THE QUEST 11 IS A CLASSIC, MID-SIZED CASTING KAYAK.

A performance paddler in a mid-sized package, the Quest 11 is at home on a lake, bay or flat. A rotomolded polyethylene hull, adjustable foot braces and a super-comfy seat provide a confident ride, one well suited to wetting a line. The Quest 11's angler-friendly pedigree includes covered bow stowage, molded-in rod holders and a generous stern cargo area that allows you to haul everything from optional tackle and crate systems to a Hobie Livewell.

SPECS:

- CREW: 1
 - LENGTH: 11' 1" / 3.38 m
 - WIDTH: 29" / 0.74 m
 - CAPACITY*: 300 lbs / 136 kg
 - FITTED HULL WEIGHT*: 53 lbs / 24 kg
 - FULLY RIGGED WEIGHT*: 58 lbs / 26 kg
 - HULL CONSTRUCTION: Rotomolded Polyethylene
- *Refer to website for complete details

QUEST 13

THE QUEST 13 HAS LANKY SEA LEGS TO GET UP AND GO.

The Quest 13 is Hobie's swiftest solo paddle kayak, with a sleek, swell-eating stride. It has the sea legs for light touring, and excels for fishing. The rotomolded polyethylene hull features generous belowdeck stowage, ample space for tackle boxes or tents, plus molded rod holders for trolling. A large, Bungee-secured stern cargo area accommodates everything from optional tackle to a Hobie Livewell, and an optional Twist and Stow rudder with foot steering control keeps the bow pointed in the right direction.

SPECS:

- CREW: 1
- LENGTH: 13' / 3.96 m
- WIDTH: 28.5" / 0.72 m
- CAPACITY*: 350 lbs / 159 kg
- FITTED HULL WEIGHT*: 65.5 lbs / 30 kg
- FULLY RIGGED WEIGHT*: 70.5 lbs / 32 kg
- HULL CONSTRUCTION: Rotomolded Polyethylene
- LOWRANCE READY SYSTEM INCLUDED*

*Refer to website for complete details

KONA

WHETHER WITH TWO PADDLERS OR ONE, THE **LOVABLE KONA** IS **EASY-GOING AND FUN.**

The Hobie Kona is a classic crossover paddle kayak. In two-person configuration, it provides a stable ride and snappy, spin-in-a-second performance; when paddling alone, the boat's molded center seat keeps the boat well trimmed and responsive. The Kona's rotomolded polyethylene hull couples a wide beam with a relatively short waterline, delivering the responsive, stable performance usually found on longer boats. Carrying handles and on-hull paddle storage simplify portaging, and the deluxe, adjustable padded seats support your back and encourage longer excursions.

SPECS:

- CREW:** 1-2
- LENGTH:** 11' 6" / 3.51 m
- WIDTH:** 34" / 0.86 m
- CAPACITY*:** 425 lbs / 193 kg
- FITTED HULL WEIGHT*:** 68 lbs / 31 kg
- FULLY RIGGED WEIGHT*:** 78 lbs / 35 kg
- HULL CONSTRUCTION:** Rotomolded Polyethylene

*Refer to website for complete details

ODYSSEY

THE ODYSSEY IS A SUPER-FUN TICKET FOR THE WHOLE CREW.

The Odyssey is Hobie's ultimate two-person paddling kayak, one with plenty of get up and go. While it carries a trim width relative to its sleek, 14-foot waterline, the Odyssey's cleverly designed rotomolded polyethylene hull provides ample stability for casting, catching or getting a novice out on the water. Its impressive payload and smart deck design provide plenty of space for crew members and equipment, and the center seat ensures proper balance for solo outings.

SPECS:

- CREW: 1-2
 - LENGTH: 14' / 4.27 m
 - WIDTH: 33" / 0.84 m
 - CAPACITY*: 550 lbs / 249 kg
 - FITTED HULL WEIGHT*: 81.5 lbs / 37 kg
 - FULLY RIGGED WEIGHT*: 91.5 lbs / 42 kg
 - HULL CONSTRUCTION: Rotomolded Polyethylene
- *Refer to website for complete details

KAYAKING ACCESSORIES

MIRAGE SAIL KIT

Comes with two-piece mast, a 20.25 ft² sail, cordage, fittings and a storage bag.
 #84513001 - Turquoise/Papaya
 #84514001 - White/Red
 #84515001 - White/Turquoise
 #84516001 - Silver/White
 #79052202 - i Series Sail - Turquoise/Papaya
 #79052203 - i Series Sail - White/Turquoise
 #79052204 - i Series Sail - Silver/White

LIFE VEST

Stay safe with approved PFDs. High-quality construction available in several models and colors to fit you and your Hobie style!

HOBIE INFANT/CHILD/YOUTH LIFE VESTS

Keep the little ones safe with approved and easily adjustable life jackets.

TRAVEL PACKAGE

Standard plug-in cart, tie-down straps, roof rack pads
 #72020025 - Travel Package

SAFETY PACKAGE

Hobie Safety Kit, Safety flag, HydroStar light
 #72020026 - Safety Package

KAYAK DOLLY

Full size dollies for the Adventure, Tandem Island or Pro Angler, or Universal. Includes a hull / ama cradle, and a pull handle. Much stronger and easier to load and use than plug-in carts for larger, heavier models.
 #80046200 - AI/TI Dolly - with beach wheels
 #80046201 - PA/Uni - with beach wheels
 #80046100 - AI/TI Dolly - with tuff tires
 #80046101 - PA/Uni - with tuff tires

FISHING ACCESSORIES

INFLATABLE LIFE JACKETS

Extremely lightweight, cooler and more comfortable than typical PFDs. Functional design for multiple types of water sports like fishing, kayaking, and sailing.

#S6779RG - Red/Grey
#S6779TG - Tan/Grey
#S6779MG - Mango

HOBIE SMALL ROLL TOP DRY BAG

8" diameter x 14". This dry bag is built of tough materials. Seals tight to keep your stuff dry.

#71703001 - 8" Hobie Dry Bag

ROD HOLDER EXTENSION

Easily slides into your boat's existing molded rod holders to add security, and to help hold reels higher above the water.

#72020014 - Hobie Rod Holder Extension

HOBIE ROD LEASH

It's one thing if "the big one" gets away; it's a different story if you lose your favorite rod. Secure it with this leash.

#74052001 - Hobie Rod Leash

GEAR BUCKET

The ultimate utility tray. Perfectly organizes tackle, tools, parts and easily fits into existing 8" Twist and Seal hatches.

#71704001 - Hobie Gear Bucket
#71704021 - Deep Hobie Gear Bucket

ADJUSTABLE H-BAR

The H-Bar from Hobie adds utility and options to your Hobie Mirage Pro Angler. Designed with the stand-up angler in mind, the H-Bar not only provides standing stability, but a great support platform for entering and exiting your kayak.

#84500114 - Adjustable H-Bar

ANCHOR TROLLEY KIT

Clever messenger-cable system easily allows you to set your anchor, deploy your sea anchor or Stake-Out Pole from the cockpit. Makes it a cinch to perfectly position your boat without having to shimmy forward or aft to fasten lines.

#72020073 - Anchor Trolley Kit Universal

ANCHOR KIT

Stay put when you want to with this 3.5 lb folding anchor. Kit includes 50 feet of line and a zippered stowage bag with end clips.

#80035A - Anchor Kit

HOBIE DRIFT CHUTE

Perfectly control your drifting speed with this handy sea anchor.

#72020009 - Hobie Drift Chute

STAKE-OUT POLE

Hold your position in shallow water with this vertical anchor. Just drive the pole into a sandy or muddy bottom and secure it to your bow, stern or Anchor Trolley Kit.

#72076001 - Stake-Out Pole

LIVEWELL/LIVEWELL XL

Hobie Livewells are cleverly designed to minimize drag and limit noise. The fully self-contained units draw water quietly through a scupper. Accommodates rods, and comes fully assembled including batteries and charger. The Livewell fits most any Hobie kayak; the XL is custom-designed for the Pro Angler Series.

#72020007 - Hobie Livewell
#72020072 - Hobie Livewell XL (Pro Anglers Only)

H-CRATE STORAGE SYSTEM

Fits on the back of a fishing kayak or SUP. Keeps tackle, fishing rods, and gear organized. Lightweight and durable, collapsible for compact travel.

#72020088 - Hobie H-Crate

PARTS AND ACCESSORIES CATALOG

Whether you kayak, fish or sail, Hobie has the accessories you need to enhance the fun. These two pages show only a portion of the options. Check out the vast lineup in our Parts and Accessories Catalog at hobiecat.com.

SIDEKICK

Perfect for anyone seeking more stability. Fits most all Hobie kayaks and works with other kayak designs as well.

#72062101 Sidekick Ama Kit - Light Grey
#72063101 Sidekick Ama Kit - Dark Green

ULTIMATE FISHING PACKAGE

Fishfinder package, Hobie Gear Bucket (3 packs), RAM Tube Rod Holder, Anchor Trolley Kit, (2) Hobie rod holder extensions, (2) Rod leashes

#72020021 - Ultimate Fishing Package

FISHFINDER PACKAGE
