HOBIE HISTORY

1950

Hobie Alter shaped his **first surfboard** in his parents' Laguna Beach garage.

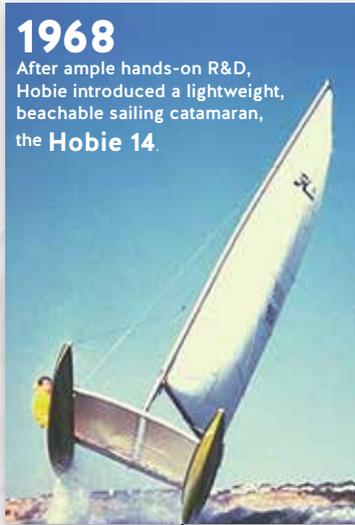

1958

Hobie teamed up with Grubby Clark to produce the world's **first fiberglass-and-foam-core boards**, revolutionizing surfing.

1968

After ample hands-on R&D, Hobie introduced a lightweight, beachable sailing catamaran, the **Hobie 14**.

1974

Introduced the **Hobie Hawk** remote controlled glider.

1982

Reading the water is tricky, but Hobie tamed reflected light with its line of **polarized sunglasses**.

1987

Ladies love watersports, so Hobie delivered fashion-forward, functional **women's swimwear**.

1954

Demand for Hobie's boards spiked, so he opened his **first Surf Shop** in Dana Point, California.

1962

After witnessing the birth of skateboarding, Hobie **introduced polyurethane skateboard wheels**, the sport's biggest evolution.

1970

Classic. The two-person, double-trapeze **Hobie 16** became an international sensation, instantly sparking the "Hobie Way of Life".

1982

The **Hobie 33** was the fastest, sleekest monohull in its class.

INNOVATING NEW WAYS TO PLAY ON THE WATER SINCE 1950

1994

The **Hobie Float Cat** marked the company's first cast into angling.

1995

A design ahead of its time, the **Hobie TriFoiler** dropped jaws with its staggering speed.

1997

Hobie MirageDrive® delivered "A New Way to Kayak," by pedaling instead of paddling.

2001

The **Mirage Outback** introduced kayak fishing in an SUV package.

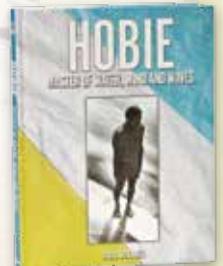

2006

The versatile **Mirage Adventure Island** offered the ability to sail, pedal, paddle and play.

2014

Hobie Alter's **epic biography**.

1994

The **Hobie Wave** was designed and crafted as the perfect, simple, rotomolded catamaran.

1996

The **Hobie Pursuit** kayak ushered in a new generation of rotomolded polyethylene touring kayaks.

2000

The **Hobie Mirage® Tandem** introduced two-person, Mirage kayaking experience, while offering an optional sail kit.

2005

Building on 50 years of industry-leading board design, **Hobie SUPs** propelled surf sports off the beach to nearly any lake, stream or bay worldwide.

2009

Hobie landed a massive strike with the **Mirage Pro Angler 14**, a feature-laden, angler-specific boat.

BRAVO

Stable and safe for the total novice yet plenty entertaining for a seasoned multi-huller on a storm-tossed day. The Hobie Bravo provides the perfect sailing platform. Its rugged, rotomolded polyethylene hull encourages picnic outings to inviting beaches and removes all docking anxieties, irrespective of wind speed. The Bravo's generously cut, square-top mainsail efficiently captures zephyrs while automatically twisting off when puffs hit, helping to keep the boat flat. The efficient A-frame mast is easy to step, and the boomless, roller-furling, multicolored Dacron mainsail makes reefing easy and allows for consequence-free gybes.

STANDARD FEATURES:

- Seamless rotomolded polyethylene hull
- Light, stiff, super durable and impact-resistant build
- Fully battened, multi-colored, square-top Dacron mainsail (available in Seabreeze color)
- A-frame mast support eliminates shrouds and makes rigging easy
- Powerful yet manageable sailplan
- Elliptical sailplan twists off in strong puffs or gusts for power control
- Unique angled battens allow for easy reefing and furling/unfurling of sail
- One-pull sail reefing and furling system
- Boomless rig
- Non-conductive Comptip mast
- EZ Loc Rudder System simplifies raising and lowering rudder
- Two molded-in, under-deck carrying handles for easy lifting
- Four carrying handles, fitted on all corners, for easy transporting
- 8" "Twist and Seal" hatch for stowing small gear or lunch
- Six scuppers create a fast-draining cockpit
- Padded hiking straps
- Righting line and "Hobie Bob" mast float to simplify righting

OPTIONS:

Boom, aluminum trailer, beach wheels/dolly

SPECS:

WAVE

Fun for the family and exciting for the juniors while forgiving enough for the newly initiated, the Hobie Wave is the ideal must-go-sailing-now catamaran. Its symmetrically shaped hulls and keel design provide lift while eliminating the need for daggerboards, and its rotomolded polyethylene construction is nearly indestructible. A large, fully-battened, boomless mainsail is powerful in the light stuff, but is designed to reduce power in an unexpected gust. The Hobie Wave is ideal for sailing solo or with a friend, while the Wave Club edition can also be used for schools, organizations or resorts.

STANDARD FEATURES:

- Super durable, impact-resistant rotomolded polyethylene two-shot hulls, with positive buoyancy
- Special keel shape eliminates daggerboards for easy beaching
- EZ Loc Rudder System simplifies raising and lowering rudder
- Fully-battened, multi-colored square top Dacron mainsail with safety view window (available in Seabreeze color)
- Easy-attach, one-piece, colored mesh trampoline with built-in drink holders (Classic Version), 3-piece mesh with lacing and grommets (Club Version)
- Boomless rig
- Comptip mast for safety
- Padded seat cushions for added comfort

OPTIONS:

Zipper-reefing mainsail, jib kit, spinnaker kit, padded backrests, aluminum trailer, beach wheels/dolly

T2

THE **BENCHMARK** BOAT FOR **PERFORMANCE** **ROTOMOLDED SAILING**

With its two-layer rotomolded polyethylene hulls, the T2 is the ideal boat to sail with the family, among friends or in clubs. With plenty of buoyancy, it is the benchmark boat for school sailing and safe family leisure. This new generation of Hobie Cat with its innovative design allows fun sailing with a high performance sensation.

STANDARD FEATURES:

- Super durable, impact-resistant rotomolded polyethylene two-shot hulls, with positive buoyancy
- Fully-battened, multi-colored square top Dacron mainsail (available in Seabreeze color)
- Dacron jib with anti-UV strip
- Mesh trampoline with pocket
- EZ Loc Rudder System and tiller extension

GETAWAY

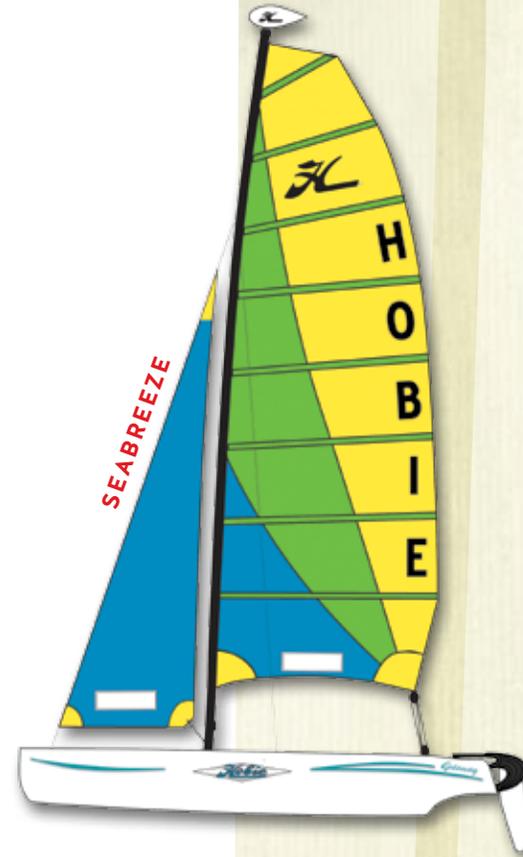

When the agenda involves sailing with friends and family, the Hobie Getaway is a sure-fire ticket to multihull fun. Stir in the boat's performance-minded symmetrically shaped hulls, its efficient, mainsail-driven sailplan and its roller-furling jib and you quickly discover a sailing pedigree that leaves others stalled out. With the Getaway, there's no worry about impromptu raft-ups, beaching or docking; its impact-resistant, rotomolded polyethylene hull provides years' worth of family fun. But most impressive is the Getaway's awesome value—expect great times for a modest price tag.

STANDARD FEATURES:

- Super durable, impact-resistant, rotomolded polyethylene hulls
- Special keel shape eliminates daggerboards for easy beaching

HOBIE 16

The Hobie 16 was unleashed on the Southern California beach scene in 1970 and sailing was instantly transformed. The beach-launched Hobie 16 brought the sport to legions of speed-loving sailors. The catamaran's lightweight, asymmetrical fiberglass hulls provide lift and its dual-trapeze rig lets you and your crew member harness its sheer power. Over 45 years and over 100,000 boats later, the Hobie 16 occupies a coveted spot in the Sailboat Hall of Fame and consistently delivers big-grin sailing and world-class racing. Fly a hull and you'll understand the global obsession!

STANDARD FEATURES:

- Asymmetrical hulls eliminate daggerboards, facilitating beaching
- Kick-up rudder system
- Race-ready, brightly colored Dacron sails (available in either Seabreeze or Hot Tamale colors)
- Elevated trampoline platform provides a dry ride and allows for easy trapezing
- EPO3 carbon-fiber rudder blades
- Double-trapeze rig
- Harken blocks
- Comptip mast provides safety and heavy air performance
- Black anodized spars
